FOCUS ON THE TEXT

- 5 Choose the correct alternatives in these paragraphs. (10 marks)

- A (1) **When / While** we arrived at the beach, we went straight into the sea. It was so romantic because there was nobody else there, just Laura and me.
- B I (2) **just relaxed / was just relaxing** on the sand when (3) **suddenly / afterwards** Laura ran out of the sea. She was crying and holding her foot. (4) **While / Then** I realised she had walked on a scorpion fish! We didn't know what to do. The hospital was 20 kilometres away and we (5) **didn't have / hadn't** a car.
- C After a short time we got out and looked for a beautiful spot to eat the picnic which we (6) **were bringing / had brought**. But (7) **as soon as / then** we had found a place, Laura decided to go back into the sea for one more swim.
- D (8) **Last year / While** I was on holiday in Galicia with my parents and my girlfriend, Laura. We were having fun but Laura and I desperately wanted to spend some time alone.
- E We went into a bar near the beach and the barman knew exactly what to do. He put her foot in hot water and (9) **afterwards / after** five minutes the pain went away.
- F So we decided to go to the beach on our own one day (10) **while / the next day** my parents went sightseeing.

- 6 Put the paragraphs in exercise 5 in the correct order to make a narrative text about a holiday. (5 marks)
