

FILL IN THE GAPS TO FINISH THE STORY

Mountain Rescue: Part 1

Steve is Hattie's brother, he is years old and he is a . He writes about his climbing experiences every day in his .

He was at the in Switzerland, trying to cross the . The night before he sent his last blog, he wrote about the terrible which came from , but the morning was fine and they set off to the glaciers.

Glaciers are very , huge rivers of , with lot of that you can't see because of the snow. You have to be very careful. He wrote that the weather changed again and they to turn back. They went back to the before another storm.

As Hattie was reading the blog with her friend , they noticed that he did not write the blog yesterday. They knew that something was wrong because he writes his blog every and the hut has a good for internet.
