

**FILL IN THE GAPS TO FINISH THE STORY**

**Mountain Rescue: Part 1**

Steve is Hattie's brother, he is [redacted] years old and he is a [redacted]. He writes about his climbing experiences every day in his [redacted].

He was at the [redacted] in Switzerland, trying to cross the [redacted]. The night before he sent his last blog, he wrote about the terrible [redacted] which came from [redacted], but the morning was fine and they set off to the glaciers.

Glaciers are very [redacted], huge rivers of [redacted], with lot of [redacted] that you can't see because of the snow. You have to be very careful. He wrote that the weather changed again and they [redacted] to turn back. They went back to the [redacted] before another storm.

As Hattie was reading the blog with her friend [redacted], they noticed that he did not write the blog yesterday. They knew that something was wrong because he writes his blog every [redacted] and the hut has a good [redacted] for internet.
