Learning intention: I can add doubles to see the +2 pattern on at number line.
Success Criteria: I can place the correct double over its answer to see the skip counting pattern.

Directions: Drag the double to the correct number and then count out loud by twos when you are done.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20

6+6   8+8   1+1

9+9   4+4

10+10   7+7   3+3   2+2   5+5
