

Name_____

Main Idea and Key Details

A graphic organizer for identifying the main idea and key details of a text. It features a large rectangular box at the top for the main idea, and three smaller rectangular boxes below it for key details. Lines connect the bottom of the main idea box to the top of each detail box. Each box is labeled with its respective function: 'Main Idea:' for the top box and 'Detail:' for each of the three bottom boxes.
