

HUNGER GAMES: CHAPTER 10

FIRST

THEN

NEXT

FINALLY

In the morning, Katniss is taken to the arena and to her launch room to prepare with Cinna.

Katniss can't sleep the night before the Games, so she goes up to the roof and sees Peeta there.

After talking with Cinna, Katniss is launched into the area and the Games begin.

Haymitch tells Katniss that what Peeta did was to help her seem more desirable, not to make her look weak.
