

Money - Pink Floyd

Money, get away/by

Get a good job with more days/pay and you're O.K.

Money, it's a gas/ car

Grab that cash with both hands and make a stash/trash

New car, caviar, four star daydream,

Think I'll buy me a football league/team

Money, get back

I'm all right, Jack, keep your hands off of my stack/back.

Money, it's a hit

Don't give me that do goody true/good bullshit

I'm in the high-fidelity first-class traveling take/set

And I think I need a Learjet

Money, it's a lime/crime

Share it fairly but don't take a slice of my try/pie

Money, so they tell/say

Is the root of all evil today

But if you ask for a rise it's no surprise that they're giving none away

"Ha-ha! I was in the like/right!"

"Yes, absolutely in the right!"

"I obviously/certainly was in the right!"

"Yeah, I was definitely in the right. That geezer/loser was cruising for a bruising!"

"Why does everyone/anyone do anything?"

"Yeah!"

"Why does anyone do anything?"

"I don't know, I was really drunk/blank at the time!"

"I was just telling him it was in, he could get/tell it in Number Two. He was asking why it wasn't coming up on freight eleven. After, I was yelling and screaming and telling him why it wasn't coming up on freight eleven. It came to a heavy blow/slow, which sorted the matter out."
