Last week, there was an earthquake in the city. The ground moved and the houses shook. A TV reporter asked the people: "What were you doing when the earthquake began?" Here are some of the answers:

"We (1) were eating lunch when our plates fell off the table!"

"I (2) in the kitchen. My wife (3) in the garden. Then we heard a loud noise!"

"We (4) on the sofa and we (5) to a Beethoven CD. Suddenly the music stopped. The house began to rock!"

"I (6) my cat. Suddenly it ran under the table. It was very frightened!"

"I (7) a shower when the house began to shake. I ran into the street with no clothes on!"

"I (8) the roof. Suddenly, the house moved under me and I fell off the roof. Now I'm in hospital."

"I (9) in the bedroom. I (10) about winning the lottery. Then I woke up very quickly!"

"I (11) a film about an earthquake. Then the real earthquake began!"
