EXTRA MATERIAL // IN CLASS ACTIVITY

Handout about numbers - they will trace the numbers and then colour them.

GAME: Bring a bag to the class, put some school objects into the bag and call for a student's name and ask him/her to get an item and try to guess what it is. After all the students take one item at least, put more items and this time ask "How many rubbers?" The student will count and tell how many rubbers there are.
