

# Multiplication and division

1. Use  $>$ ,  $<$ , or  $=$  to compare the equations

|                                    |                                    |                                   |                                     |                                    |
|------------------------------------|------------------------------------|-----------------------------------|-------------------------------------|------------------------------------|
| $10 \times 1 \bigcirc 2 \times 5$  | $9 \times 9 \bigcirc 10 \times 8$  | $10 \times 5 \bigcirc 4 \times 6$ | $12 \times 5 \bigcirc 8 \times 7$   | $9 \times 9 \bigcirc 11 \times 10$ |
| $3 \times 4 \bigcirc 6 \times 3$   | $12 \times 4 \bigcirc 5 \times 10$ | $5 \times 12 \bigcirc 9 \times 9$ | $3 \times 6 \bigcirc 6 \times 2$    | $7 \times 7 \bigcirc 6 \times 6$   |
| $9 \times 11 \bigcirc 8 \times 12$ | $8 \times 8 \bigcirc 10 \times 7$  | $12 \times 4 \bigcirc 9 \times 6$ | $4 \times 6 \bigcirc 5 \times 5$    | $12 \times 3 \bigcirc 6 \times 6$  |
| $7 \times 2 \bigcirc 12 \times 2$  | $9 \times 2 \bigcirc 8 \times 4$   | $8 \times 7 \bigcirc 6 \times 10$ | $10 \times 5 \bigcirc 12 \times 12$ | $6 \times 7 \bigcirc 5 \times 8$   |
| $4 \times 4 \bigcirc 6 \times 3$   | $4 \times 5 \bigcirc 10 \times 2$  | $2 \times 5 \bigcirc 3 \times 6$  | $11 \times 2 \bigcirc 12 \times 3$  | $3 \times 2 \bigcirc 1 \times 6$   |
| $12 \times 3 \bigcirc 11 \times 3$ | $11 \times 4 \bigcirc 4 \times 10$ | $3 \times 4 \bigcirc 8 \times 3$  | $6 \times 7 \bigcirc 8 \times 4$    | $8 \times 2 \bigcirc 12 \times 1$  |
| $7 \times 5 \bigcirc 8 \times 4$   | $2 \times 2 \bigcirc 3 \times 1$   | $5 \times 2 \bigcirc 3 \times 2$  | $5 \times 5 \bigcirc 4 \times 9$    | $9 \times 6 \bigcirc 4 \times 12$  |

2. Decode the numbers and solve the problems

|   |   |   |   |   |   |   |   |   |   |    |
|---|---|---|---|---|---|---|---|---|---|----|
|   |   |   |   |   |   |   |   |   |   |    |
| 0 | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 |

|                                              |                                               |                                               |                                               |
|----------------------------------------------|-----------------------------------------------|-----------------------------------------------|-----------------------------------------------|
| 1<br>x<br>$\square \times \square = \square$ | 2<br>x<br>$\square \times \square = \square$  | 3<br>x<br>$\square \times \square = \square$  | 4<br>x<br>$\square \times \square = \square$  |
| 5<br>x<br>$\square \times \square = \square$ | 6<br>x<br>$\square \times \square = \square$  | 7<br>x<br>$\square \times \square = \square$  | 8<br>x<br>$\square \times \square = \square$  |
| 9<br>x<br>$\square \times \square = \square$ | 10<br>x<br>$\square \times \square = \square$ | 11<br>x<br>$\square \times \square = \square$ | 12<br>x<br>$\square \times \square = \square$ |
