KIDS 4: FINAL PRACTICE

1. Read the text and say if the sentences are true or false.

One morning, Josh went on a school trip to the museum. He saw a moving dinosaur, but he got scared. Then he fell on some dinosaur bones.

Later, in the afternoon, the boy visited Becca and Alfie. He told his two friends about his school trip to the museum. 'Did you see the new moving dinosaur model?', asked Becca. 'Yes, I did. But I didn't like it', Josh answered. Then Becca asked, 'Did you see the dinosaur bones?'. Yes, I did. But I didn't like them', answered Josh. In the end, Josh explained Alfie and Becca that he really loved the trip. The twins understood that Josh loved his visit to the museum because Hayley was there.
