

Autumn 2, Week 3 KS2 Maths Home Learning

LI: I can use solve multiplication and division problems

You will need to use some scrap paper to do your workings out. Check the maths video to make sure you are using the right method.

$1) 3 \times 9 =$

$2) 27 \div 8 =$

$3) 9 \times 12 =$

$4) 56 \div 5 =$

$5) 44 \div 7 =$

$6) 9 \times 11 =$
