

Name: _____

Complete the Paragraph

Write the **list word** that completes each blank in the paragraph.

Costa Rica, in Central America, is located in the Northern _____.
My parents saved money for a long time so we could _____ our
trip to Costa Rica. Much of the _____ that people drink
grows in this country. Its rain forests, teeming with tropical trees, plants, and
wildlife, were absolutely _____. You can smell the _____
flowers as you walk through the rain forests. Visitors from around the world have
_____ the flora and fauna found in rain forests in Costa Rica.
If you don't bring _____ film, you will not be able to
capture all the great photos. Now my family can't _____
enough the importance of protecting the rain forests. We brought back a
_____ with more information on how we can do our
part. We think countries everywhere should _____ their laws
that help save the rain forests!
