

Put the verbs into the simple past.

Hi Ben!

Is your leg better? I hope so. Last week was the half-term holiday. No school - brilliant! On Monday I \_\_\_\_\_ (play) basketball with my brothers. What a game! On Tuesday Andy and I \_\_\_\_\_ (watch) a film at the new cinema in town. We \_\_\_\_\_ (walk) around the beautiful park next to her house. On Thursday I \_\_\_\_\_ (cook) the evening meal for everyone - spaghetti! I love cooking. On Friday I \_\_\_\_\_ (stay) at home because I was in the garden. I really \_\_\_\_\_ (like) my half-term holiday! How was your week, Jen?
