### **New shopping hours in the Czech Republic**

Shopping hours in the Czech Republic are changing. You can't buy any food on Sundays.

Shops were very busy on Saturdays.

Until a few years ago, some shops closed for an hour for lunch.

Now shops must close at nine o'clock in the evening.

But not everyone thinks the new shopping hours are a good thing.

Today, shops are closed on Sundays. \_\_\_\_\_

Shops are very busy on Saturdays now. \_\_\_\_\_

In the past some shops closed at lunchtime \_\_\_\_\_

Everyone likes new shopping hours \_\_\_\_\_
