Plum

EXERCISE TWO

Based on the next reading select the best option (a, b or c) and answer the questions from 1 to 6.

HERE ARE SOME TIPS FOR HEALTHY EATING AT HOME, WORK, AND ELSEWHERE. TRY SOME OF THESE IDEAS.

- Start your day off right! Eat breakfast.
- Take a piece of fruit to munch on during your commute. It tastes great, is filling, and provides energy.
- Use "lite" dairy products, which are low fat and better for your health.
- If you like to eat meat, trim all visible fat.
- Fried foods? Snacks? Desserts? Sweets? They taste great but are not great for you. They are high in calories and can be high in fat, salt, and sugar.
- Pack your own snacks of raw veggies. Buy healthy snacks like pretzels.
- Cut down on portion size so you don't eat too much unhealthy food.
- Eat everything in moderation—not too much of any one thing.

1.

In the morning, it is important to eat breakfast

In the morning , it is important to eat fruit

In the morning, it is important to commute

2.
