Read the following passage and choose the correct option.

Thousands of years ago, the Ancient Mayans used hammack trees to make a special kind of bed. These beds were hammocks. People used them to sit on or to sleep in. They were light and easy to carry. The Ancient Mayans often moved from place to place, and they didn't want to carry heavy things. Hammocks were soft and comfortable to sleep in. People still use hammocks in their homes and gardens today.
