

## Exercise Lesson 7: Out and about

### Exercise 3

A. Write the correct answer.

|               |               |                  |                            |                |          |
|---------------|---------------|------------------|----------------------------|----------------|----------|
| Do not<br>run | Do not<br>eat | Have a<br>shower | Do not<br>take<br>pictures | Do not<br>talk | Be quiet |
|---------------|---------------|------------------|----------------------------|----------------|----------|

|    |                                |
|----|--------------------------------|
| 1. | _____ at the swimming pool.    |
| 2. | _____ or drink at the library. |
| 3. | _____ at the museum.           |
| 4. | _____ at the cinema.           |
| 5. | _____ before swimming.         |
| 6. | _____ at the library.          |

B. Read the text and write the correct answer.

At the swimming pool, we must have a shower before swimming in the pool. We should also be careful and not run around the swimming pool as there is a lot of water and it is very slippery.

|    |                                                          |
|----|----------------------------------------------------------|
| 1. | What should we do before swimming?<br>_____              |
| 2. | What should we not do around the swimming pool?<br>_____ |
| 3. | Why should we not run?<br>_____                          |

At the library, There is a lot of books for us to read and learn about. We should always be quiet because people go there to read books and study peacefully. When we are at the library we should not bring any food or drinks because we can't drink or eat in the library.

|    |                                                                |
|----|----------------------------------------------------------------|
| 1. | What is at the library?<br>_____                               |
| 2. | What should we do when we are at the library?<br>_____         |
| 3. | Why can't we bring any food or drinks to the library?<br>_____ |

We go to the cinema to watch movies. There are a lot of seats at the cinema. People usually go to the cinema with their family or with their friends. We should always turn off our phones at the cinema and also do not talk.

|    |                                                       |
|----|-------------------------------------------------------|
| 1. | What do we do at the cinema?<br>_____                 |
| 2. | What is there at the cinema?<br>_____                 |
| 3. | Who do people usually go to the cinema with?<br>_____ |
| 4. | What should we always do at the cinema?<br>_____      |
