FOOD TO FEAR

We a	II know that eating too	much junk food is bad for	our health, but did you know th	at eating some kinds of health
food	s could be just as bad f	or you?		
Michael Simon, who (1) the Center for Informed Food Choices in the USA, says there are sugary sports				
drink	s that are as unhealthy	as cola. "These drinks may	y be (2) for marath	non runners, but for kids doing
ordin	ary exercise, they may	end up doing more (3)	than good."	
Breal	kfast cereals, which of	course are very (4)	with kids, have also be	een criticised. Whilst they are
ofter	high in fibre, some o	f them (5) a	lot more sugar and salt than y	ou would expect. In addition
some	of the foods we have	ve (6) to kn	now as "health snacks" have a	lso been added to the black
(7) _	Although	they look and sound nut	ritious, in most (8)	_ they are much tastier than
they	are healthy for you. Fo	or example, some types of	dried fruit were (9)	to have more fat and suga
than	the fruit they were (10) from.		
So n	ext time you decide t	o cut down (11)	junk food, think twice at	oout what you end up eating
