

Illnesses and treatment

Match health problem and convenient treatment. For each health problem choose just one treatment.

headache	Put a cotton swab to it and a cold towel on your neck.
stomach ache	Take paralen, drink hot tea, eat fruit, stay in bed.
bleeding nose	Relax in a quiet, dark place.
broken leg	Put drops to it.
flu	Be on a diet, drink black tea.
diarrhea	Avoid the problematic situation, use the pills.
allergy	Use black coal, be on a diet.
infection in eye	Go to an X-ray, have a plaster/cast.
