Local Girl Wins Place in Summer Programme

Once again this summer, students from around the world will participate in the fascinating Ruta Quetzal summer programme. Every year, 300 students from over 40 Spanish-speaking countries are taken on exciting tours of Spain and Latin America.

This year, two Canadians are also going on this unique 4-week programme and our very own Kimberly Browne is one of them. Kimberly is a brilliant student and she participates in many school activities.

In addition, this year she was chosen as the head of the student body. She was asked to join the tour after presenting an excellent project in Spanish.

Before leaving on her trip, Kimberly told her classmates, "I feel so lucky. This is a dream come true". We're all proud of you, Kimberly!

Day 12

Up to now we've travelled by foot, bus, train, boat and even kayak, but for the last three days we've stayed in one place and slept in tents. What all of us miss most is a really good shower!
