

# These words can be changed to new words by the Silent **e** Ninjas!

How to Play:

1. Read each word with short a, i, o and u.
2. Drag and drop these words next to the Ninjas below to make the new words!
3. Read the new words with long a, i, o and u.

|  <b>ă words</b> | <b>ĩ words</b>                                                                               | <b>õ words</b>                                                                                | <b>ũ words</b>                                                                                 |                                                                                                |                                                                                     |
|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
