

HOMEWORK.

Write 4 sentences about yourself using each of the following time expressions. Follow the example.

Never already yet still

I have **never** traveled to Europe, but I have been to the US many times. I have **already** gotten married and I have had children.

I haven't had grandchildren **yet**. I **still** haven't built the house of my dreams, but I hope in the future.

What about you?

Write sentences about things you had done in the past using the time expressions indicated.
Follow the example.

Example: I had learned to dress myself by the time I started first grade.

1. _____ by the time I was five.
2. _____ by the time I finished 6th grade.
3. _____ by the time I got my first bike.
4. _____ by the time I was 13.
5. _____ by the time I traveled to London.
