

Test 1

1-Listen and number the pictures:

|                                                                                   |                                                                                   |                                                                                   |                                                                                    |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |  |
| (.....)                                                                           | (.....)                                                                           | (.....)                                                                           | (.....)                                                                            | (.....)                                                                             |

**B) Reading**

2-Listen and fill in the gaps:

Ahmed : How ..... are you ?

Mona : I'm .....

3-Read and match A with B:

|   |         |             |  |
|---|---------|-------------|--|
| 1 | How old | lion        |  |
| 2 | He is   | are you ?   |  |
| 3 | Who is  | my brother. |  |
| 4 | Bye-    | she ?       |  |
|   |         | bye!        |  |
