Conversation

Accountant: Thanks for all the recommendations. They all look good except for one.

Consultant: Which one is that?

Accountant: It's the _____. Why do I need a _____?

Consultant: Well, I think that _____

_____.

Accountant: Hmm ... I don't think that _____

_____.

Consultant: OK. You could just go with _____.

Accountant: Yes, but I think most people use _____s.

Consultant: That's true, but some people still use _____s.
