Hello princess,

I had lots of fun with you last night. I like how goofy you can be when you party. I'm sorry I got dizzy and sick later at night. I made you worried and probably scared. I think I had too many drinks. I want to see you again. I want to hug you and kiss you. You've blown my mind. You are so smart and lovely. I would go to the end of the world for you. Please, meet me again. Give me another chance. Let's meet at the beach tomorrow at 9:30 in the

evening and watch the stars together.

If I see a shooting star, I know what my wish would be. You!

Love, Sam
