

PAST SIMPLE AFFIRMATIVE TO NEGATIVE
REGULAR VERBS

RULES TO MAKE THE SIMPLE PAST OF VERBS

1.-One-syllable verbs ending in consonant+ vowel+ consonant,
double the last consonant and add -ed.

clap-clapped drop-dropped plan-planned

Note: two syllable-verbs, we double last letter if the last syllable is stressed:

Example: omit-omitted

Don't double: visit-visited

2.-Verbs ending in a consonant + -y, add -ied.

cry – cried study-studied tidy-tidied

3.-Verbs ending in -e, just add -d.

tie-tied change-changed dance-danced

4.-All the rest of the verbs, just add -ed.

play-played hook-hooked wash-washed miss-missed

Read and choose the right option:

Follow the example.

I **worked** from Monday to Friday the last Summer.

a)workked **b)worked** c)workied

1. You _____ basketball the last weekend.

a)played b)plaied c) playd
