

# Mike's New Year's Resolutions

**January 5:** The winter holidays came to an end. It was time to go back to school. Mike got up at 7 o'clock and he went to the bathroom. After a quick shower, he looked at his toothbrush and he said:

*'In 2020, I'm going to brush my teeth after every meal.'* Then, Mike went to the kitchen, saw his mother and he promised, *'In 2020, I will always be nice to you'*. His mother smiled. When Mike arrived at school, he spoke to his teacher, Miss Smith: *'Miss, in 2019, I didn't always do my homework. I'm sorry. I want you to know that, in 2020, I will always do it.'* At lunchtime, Mike went to the canteen and he said to his friends, *'In 2019, I ate a lot of junk food, too many candies, burgers and fries ! Starting from today, I will eat healthy food like chicken, fish and salad.'* Mike's friends laughed. When Mike arrived home at 6 o'clock, he ate dinner and he logged on to his computer. He started playing computer games but he played for just fifteen minutes. He thought, *'In 2020, I will not play computer games all the time. I will only play for less than an hour a day.'* He looked in the mirror and he grinned at himself, thinking that he would get a nice present for his birthday if his mother was satisfied. Maybe he could ask for a new motorcycle.
