Madame Clara is a magician. She is assisted on stage by her husband, Henri. Today she is telling a theatre manager about her act. Choose the best option to complete the text

I usually the act myself. I some magic words. A bird out of an empty cage, and a flower in an empty pot.

Then Henri me on the stage. He into a box. I knives through the box, but he always out alive!

Someone from the audience a card. I my back, and Henri my eyes. I the person what the card is. Everyone in the audience .

Henri and I colored balls into the audience. But no one ever them! They in clouds of smoke!

A strong man from the audience to lift a piano. He cannot, for it 1.000 kilos. But I my hands, and the piano into the air!

Our act with a marvellous spectacle. A green light and the orchestra a mysterious tune. Then a grey mist us, and we like ghosts!
