

BELIEVER IMAGINE DRAGONS

First things first
I'ma **tell/say** all the words inside my head
I'm fired **up/down** and tired of the way that things
have/has been
The way that things **has/have** been
Second thing second
Don't/not you tell me what you think that I could be
I'm the one at the **train/sail**,
I'm the **master/mister** of my sea (x2)

I was broken from a young _____
Taking my sulking to the _____
Writing my poems for the _____
That look at me, took to me, shook to me, feeling me
Singing from heartache from the _____
Taking my message from the _____
Speaking my lesson from the _____
Seeing the beauty through the...

veins
masses
few
pain
age
brain

Pain!
You made me a, you made me a believer, believer
Pain!
You break me down and build me up, believer,
believer
Pain!
Oh, let the bullets fly, oh, let them rain
My life, my love, my drive, it came from...
Pain!
You made me a, you made me a believer, believer

BELIEVER IMAGINE DRAGONS

Third things third
Send a prayer to the ones up above
All the hate that you've heard has turned your
spirit to a dove,
Your spirit up above,
I was choking _____
Building my rain up _____
Falling like ashes _____
Hoping my feelings, _____
But they never did, ever lived, ebbing and flowing
Inhibited, limited
Till it broke open and _____
And rained down, like...

they would drown
in the cloud
rained down
in the crowd
to the ground

Pain!
You made me a, you made me a believer, believer
Pain!
You break me down, you build me up, believer,
believer
Pain!
Oh let the bullets fly, oh let them rain
My life, my love, my drive, it came from...
Pain! You made me a, you made me a believer,
believer

_____ things last
By the grace of the _____ and the flames
You're the face of the _____, the blood in my
veins,
But they _____ did, ever lived, ebbing and
flowing
Inhibited, limited
Till it broke _____ and rained down
And rained down, like...
