Emily writes this letter to her penfriend Alice, in England.

Dear Alice,

News! We have a new flat. Our flat is not in the center of the town. It is 3 kilometres from the center. Our flat has a living room, three bedrooms, a kitchen, a bathroom and a toilet. There is a bedroom for my mother and father, one for me and one for my brother. The rooms are small but they are comfortable. This is good because I have my own room.

My bedroom is my favourite room in our flat. I can be alone. I can read or draw. I can listen my radio or play CDs. I can play games on my computer. My second favourite room is the kitchen. I help my mother cook our meals.

That's all for now. Write soon and tell me about your home.

All good wishes

Emily
