

# Turkey Trouble

Oh, we bought a \_\_\_\_\_ Turkey  
In time for him to grow  
We thought he'd be so \_\_\_\_\_ to eat  
But how were we to know  
That turkey's name was \_\_\_\_\_?  
And even though we tried  
The oven was not \_\_\_\_\_ enough  
He would not \_\_\_\_\_ inside.  
And he was ...  
Knocking down the \_\_\_\_\_  
Eating our mince pies  
Swallowing the \_\_\_\_\_ and trying on Dad's \_\_\_\_\_  
He pulled down all the holly and the \_\_\_\_\_ too  
He was too quick for us to catch  
We didn't \_\_\_\_\_ what to do.  
And he was ...  
Pulling at a cracker  
It really made him \_\_\_\_\_  
He ran into the \_\_\_\_\_ where a sleigh was landing  
BUMP!  
The sleigh belonged to \_\_\_\_\_  
Who laughed with such delight  
And asked the \_\_\_\_\_ if he'd help  
To pull the sleigh that night.  
And he was ...  
Eating all the \_\_\_\_\_ lights  
The Christmas cards as well  
And as he joined the reindeer gang  
The snowflakes softly fell

# Turkey Trouble

Old Santa took the reins and said  
'My sacks are full of \_\_\_\_\_  
You'll help me give my \_\_\_\_\_ out  
To all the girls and boys.'

So he was ...

Not a Christmas \_\_\_\_\_  
Not roast nor in a pie  
Our turkey will be \_\_\_\_\_  
Watch for him in the sky  
For now as Santa's \_\_\_\_\_  
Along with Rudolph too  
He pulls the sleigh along the way  
With \_\_\_\_\_ for me and you!

So he was ...

Not a \_\_\_\_\_ dinner  
Not roast nor in a pie  
Our turkey will be \_\_\_\_\_  
Watch for him in the sky  
For now as Santa's helper  
Along with Rudolph too  
He pulls the \_\_\_\_\_ along the way  
With gifts for me and you!
