

SPORTY SUE'S BLOG

Hi, I'm Sue! I'm a teacher and for many years I've been doing sponsored runs for charity and I've raised a lot of money! I got bored with this, so I've been doing more and more extreme challenges recently! I've jumped out of a plane (I had lessons first, of course) It was very scary! Lots of staff and students sponsored me! It's the most exciting thing I have ever done! What have you done for charity?

HAPPYTEACHER 

Hi! I'm Valentina and I'm a teacher too!

I've never done an extreme challenge like jumping out of a plane but last year the staff of my school threw a Christmas bazaar to raise money for poor families! It was very fun! This Christmas we are thinking of donating blood instead of throwing a bazaar!! It will be the most important thing I have ever done!
