BEEN TO AN INTERNET CAFÉ

Hi everyone and welcome to my blog! I'm Felipe Costa. I'm with my best friend, Luis, in the USA – we're on tour with the Brazilian Folk Band! We are singers in the band and Luis plays the drums too. Other people in the band play guitars and xylophones.

30 January

We've arrived in Washington and it's snowing. I've never seen snow before! It's beautiful.

2 February

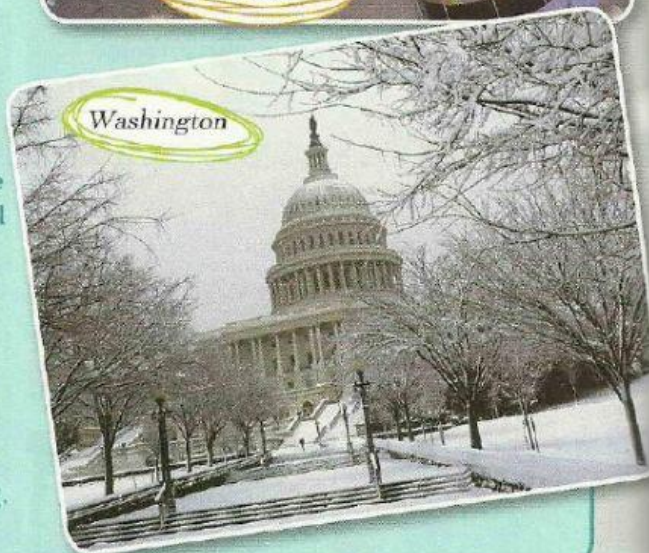

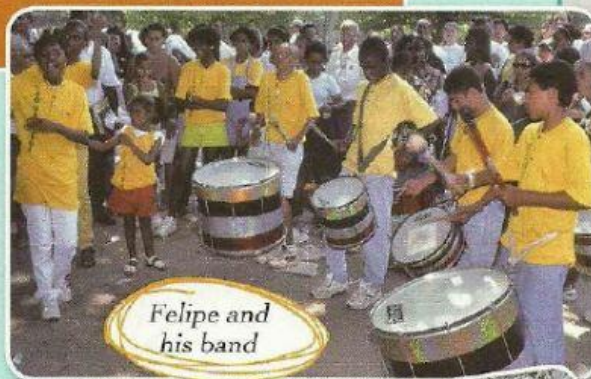

Disaster! I can't find my music. I've never lost it before! I've looked in my room and in my bag, but it isn't there. We've got a concert in two hours!

4 February

It was OK in the end! We found the music in Luis's bag. The concert was fantastic – people danced! This afternoon, we went to a football game. We've never seen American football before. I've bought a Redskins T-shirt.

7 February

We're in an Internet café. They're playing *Linkin Park* on the radio. I love heavy metal and I've heard this song before – it's really good! We've got our last concert this evening. I'm feeling nervous!
