

The town of Kg. Gajah experienced the <u>worse</u> flood in thirty years.	e.g. <u>worst</u>
<u>A</u> flood was caused by heavy rainfall which lasted for a few weeks. As a	(a)
result, the water level <u>on</u> the river crossed the danger mark. On the fifth	(b)
day, the river burst <u>it</u> banks. About 250 families living in the area were	(c)
<u>affect</u> . The flood victims were evacuated to two schools which served as	(d)
relief centres. 150 families were taken <u>into</u> SMK Dusun, while the others	(e)
<u>was</u> placed in SK Tanjung. Many voluntary organisations and army	(f)
personnel <u>help</u> the victims a the relief centres. They were provided with	(g)
food, clothes <u>or</u> blankets. Meanwhile, St. John Ambulance Malaysia	(h)
<u>whose</u> was on standby, provided medical aid to those who were sick and	(i)
injured. Besides helping out in <u>prepare</u> food, the public also donated	(j)
generously to those affected by the flood.
