

A) READ THE TEXT AND ANSWER THE QUESTIONS WITH COMPLETE SENTENCES

I'm Zack. I'm fourteen years old. When I get older I'd like to be an actor, just like my dad. I was going to take up dancing classes but they were not as good as I imagined. I decided to study drama at school twice a week and I never miss a class! I totally love it. Some friends study with me, but not many, just a few, because classes start too early and they have trouble getting up early.

1- What would Zack like to be when he gets older?

2- Whose father is an actor?

3- How early do drama classes start?

4- How often did Zack miss a class?

5- How many times a week does he take drama classes?
