

Safety at home

Stay safe at home by following these easy rules.

1 You shouldn't play with knives.

2 You shouldn't touch cleaning products.

3 You shouldn't play with matches.

4 You shouldn't touch the oven when it's hot.

5 You shouldn't run up and down the stairs.

7 You shouldn't play with sockets.

6 You shouldn't jump on your bed.

VALUE Always follow safety rules at home.

Project work

Use the Internet to find information about other safety rules at home. Select the information you think is interesting/important and use it to make a poster.
