

"You're The One That I Want"
(from "Grease" soundtrack)

I got chills
They're multiplying
And I'm **missing / losing** control
'Cause the power you're supplying
It's **electrifying / stimulating** !

You better **shape up / shake off**
'Cause I need a man
And my **head / heart** is set on you
You better **shape up / shake off**
You better understand
To my heart I must be **good / true**
Nothing left
Nothing left for me to do

You're the one that I want
Oo-oo-oo, honey
The one that I want
Oo-oo-oo, honey
The one that I want
Oo-oo-oo, the one I **need / miss**
Oh, yes, indeed

If you're filled
With **affection / attraction**
You're too **shy / light** to convey
Meditate in my **attention / direction**
Feel your way

I better **shape up / shake off**
'Cause you need **a man / men**
I need a man
Who can keep me **terrified / satisfied**
I better shape up
If I'm gonna **prove / move**
You better prove
That my faith is justified
Are you sure?
Yes I'm **sure / should**
down deep inside

[3x]

You're the one that I want
Oo-oo-oo, **money / honey**
The one that I want
Oo-oo-oo, **money / honey**
The one that I want
Oo-oo-oo, the one I need
Oh, yes, indeed
