"Home"

(originally by Michael Buble)

Another summer day,
Has come and _____away, gone alone
In Paris and Rome,
But I want to go_____, home know
Mmmmmm

Maybe surrounded by,
A million people I,
Still feel all_____, wrote you
I just want to go home,
Oh I miss you, you____,

And I've been keeping all the letters, flat
That I _____to you,
Each one a line or two,
I'm fine, baby, how are _____,
Well I would send them but,
I know that it's just not enough,
The words were cold and_____, place far
And you deserve more than that.

Another aeroplane,
Another sunny_____, run
I'm lucky, I know,
But I want to go home,
I've got to go home,

Let me go home
I'm just too_____,
From where you are,
I've got to come home,
Let me go home,
I've had my_____,
Baby, I'm done,
I want to come home

And I feel just like I'm living,
Someone else's life,
It's like I just stepped outside,
When everything was going right,

And I know just why you could not come along with me,
'Cause this was not your dream,
But you always believed in me,

Another winter day
Has come and gone away,
In either Paris or Rome,
And I want to go home,
I miss you, you know,

Let me go home,
I've had my run,
Baby, I'm done,
I want to go home,
Let me go home,
It'll all be alright,
I'll be home tonight,
I'm coming back home.
