The diagram illustrates the iterative construction of a 3x2 grid for the word "da u". It consists of five stages, each showing a 2x2 grid with "da" in the top-left and "u" in the top-right. A horizontal dashed line is present in the middle row of each grid. The stages are connected by minus and equals signs, indicating a sequence of operations. In the final stage, the grid is extended to a 3x2 size, with the third row being empty.
