Hi, (name)

Sorry for not writing you so long, but I've spent two weeks in England. You can't imagine how great it was! One of the most wonderful things was visiting (name of the restaurant)

*This place really dragged me with its peculiarity! Just think of it!
(what is special)*

*The menu was appealing to me too:
(dishes)*

I enjoyed the atmosphere and the quality of the food! And as for the next time you're going to England you must visit this place!

I'm sure you'll like it.

Bye for now!
