- 5 We use oil to **produce** / **grow** gas. \_\_\_\_\_

### COMPLETE THE TEXT WITH THE CORRECT WORDS.

How to be more *eco-friendly*

A lot of the food we buy comes from other cities or countries. The transportation that brings this food to our supermarkets produces a

(1) ..... called carbon dioxide. If you buy products from farms in your area, it will (2) ..... the amount of air (3) ..... created when we transport food by plane or by road. If your local products are (4) ....., they will also be healthier for you because they are 100 percent natural.

When you're cold in your house, don't (5) ..... the temperature; each degree Celsius will use about 10 percent more energy. That means you will burn more (6) ....., and the problem of (7) ..... will get worse. Think of the effect on the (8) ....., and put on an extra sweater instead!
