

AMERICAN PIE by Madonna

A long, long time ago
I can still _____
How that music used to make me _____
And I knew that if I had my chance
I could make those people _____
And maybe they'd be _____ for a while

Did you write the _____ of love?
And do you have faith in God above?
If the Bible tells you so
Now do you _____ in rock and roll?
And can music save your mortal soul?
And can it _____ me how to dance real slow?

Well, I know that you're in _____ with him
'Cause I saw you dancing in the _____
You both kicked off your shoes (both kicked off your shoes)
Man, I dig those rhythm and blues

I was a lonely teenage bronking buck
With a pink carnation and a pick-up _____
But I knew that I was out of _____
The day the music died

I started singing
Bye bye, Miss American Pie
Drove my Chevy to the levy
But the levy was _____
And good old _____ were drinking whiskey and rye
Singing this will be the day that I die
This will be the day that I die

I met a _____ who sang the blues
And I asked her for some happy _____
But she just smiled and turned away
Well, I went down to the sacred _____
Where I heard the music _____ before
But the man there said the music wouldn't play

Well now, in the _____ the children screamed (the children screamed)
The lovers cried and the poets dreamed (the poets dreamed)
But not a word was spoken (not a word was spoken)
The church _____ all were broken

And the three men I _____ the most
The father, son, and the holy ghost
They caught the last train for the _____
The day the music died

We started singing
Bye bye, Miss American Pie
Drove my Chevy to the levy
But the levy was _____
And good old _____ were drinking whiskey and rye
Singing this will be the day that I die
This will be the day that I die
