Hi Alex

Thanks for your email. You asked me about my grandparents. They married in London in 1972, but they don't live in London now. They raised a family there, too. They lived in a small house in Park Street. They watched a black and white TV because there weren't any colour TVs. My grandpa worked in a school, but my grandma didn't work. We can look at old photos when you come to our house at the weekend.
