**Date:**

## Inference of the Day #4

Directions: Read the paragraph. Answer the multiple choice question by circling the answer that makes the most sense based on what you read. Then, prove your answer with strong text evidence.

On a Saturday afternoon, the birds chirped as the sun cast its golden rays on the vibrant green grass. The Jones family decided to pack a picnic lunch and head to the park. When they arrived, the sky suddenly filled with dark, gray clouds. Rain began to pour from the once bright blue sky.

1. The reader can infer the weather is \_\_\_\_\_.

- A. similar
- B. predictable
- C. unchanging
- D. unpredictable

2. Prove your answer with strong text evidence.
