

What do you think? - opinions

Kate: Hi, Ben. What's up?

Ben: Nothing special. I would like/want to ask you something.

Kate: Sure, go away/ahead.

Ben: How do you think/feel about learning foreign languages?

Kate: From my opinion/point of view, I think that everybody should learn foreign languages because you can communicate with people from all around the world. What do you see/think?

Ben: In my opinion/view, foreign languages aren't important. I want to stay in my village forever.

Kate: I'm not so afraid/sure about. I'm afraid I have to agree/disagree.
