

1) Read the story

This is Shrek. He is an ogre. He is green, big and ugly. But he is good and very funny. Shrek loves Princess Fiona. But there is a problem: Princess Fiona is a prisoner in a castle. There's a dragon there. Shrek goes on a long journey to rescue Fiona. He goes with a friend. It's a donkey. He talks very much but he is a good friend. The castle is very dangerous! Shrek rescues Fiona and they fall in love! But Fiona has a problema: at night she is not beautiful, she turns into an ogre.

"If you kiss me, Shrek, I will be beautiful forever", she says.

One day, Shrek kisses Fiona and she turns into a beautiful ogre.

"Oh! You are very beautiful Fiona! I love you!", says Shrek.

"Oh, Shrek, I love you too! I don't want to marry the King, I want to marry you!", says Fiona.

"Thank you! Let's get married!", says Shrek.

He goes to see the King and tells him: "Go away, King! I love Fiona and she loves me! We are getting married!"

This is the end of the story. Shrek marries Fiona and all their friends celebrate with a big party. They drink, eat and dance. And the King disappears.

True or False?

E.g.: Shrek is a prince
