D) MULTIPLE CHOICE. Complete the text with the correct answer, a), b) or c).

I recommend living in 1 smaller university cities. They're usually 2 than large cities like Manchester. I was born in Oxford, went to 3 university in Cambridge and now I work in Brighton - so I know quite a bit about university towns. Cambridge is 4 beautiful place but it isn't 5 place to live. You 6 have to have a car but it's a long way from other cities. Oxford is bigger and has 7 transport system. Buses go to London every 15 minutes so you never 8 book a ticket. Brighton is 9 for music and nightlife. You 10 great restaurants and clubs there. And it's by the sea!
