

Complete the text below by putting the verbs in brackets into the past simple passive.

About six months ago we bought a flat in an old house near the centre of Maribor, overlooking the Drava. Now, the flat is modern and comfortable, but a lot of work was necessary to put it into good order. First, the walls _____ (**mend**) by a competent builder, and the doors and window frames _____ (**renew**). The plumber was the next workman to arrive. An entire new bathroom _____ (**put in**), as the old one was in a very bad state. A new electrical circuit _____ (**install**) by the electrician, and the kitchen _____ completely _____ (**retile**). After all that major work the walls _____ (**re-paper**) and the woodwork _____ (**paint**). Finally, a wall-to-wall carpet _____ (**fit**) everywhere.
