STRUCTURE	
<p><b>Conditionals</b> - This is the week we go through If Clause Type 0, 1, 2 and 3. Don't forget that 0 is about facts and habits that are always true so both the meaning and the grammar is in Present Simple. (If you mix blue and red, you get purple) The 1<sup>st</sup> one is about the future. So we use will or won't in the result clause. (If it is sunny tomorrow, we will go to the beach) The 2<sup>nd</sup> clause is about hypothetical things about present but we use past and would/could/might. (If you were here, we could dance) The 3<sup>rd</sup> one is again about the hypothetical things about the past (If I had studied, I would have passed)</p> <p><b>Please watch the videos</b></p>
